

# ORGANIC GEMGEL 100

PREGELATINIZED WHEAT STARCH

---

## Description

100% Certified Organic GemGel 100 is a food grade, pregelatinized organic wheat starch produced by Manildra Milling Corporation. It offers convenience and economy in a basic instant wheat starch. GemGel 100 is well suited for a variety of food items, including dry mix bakery products, breakfast cereals and others requiring thickening without cooking.
